

hello there!

I'm **Shreya Das**, and you can call me **Ray**.
I'm a Communication Design graduate.
I am a self taught **illustrator**, and **graphic designer**.
I also enjoy learning various new skills for fun as well as to develop myself as a designer.

My passion lies within the creation of **design experiences** for the **osu! community** and other fields where user experience is of utmost importance.
I hope we can collaborate to be able to create wonderful things together in the future!
